President's Message

WEST MICHIGAN NURSERY & LANDSCAPE ASSOCIATION

WMNLA News

As I think about our Green Industry and organization, I'd like to say it's an honor to have the opportunity to serve for the next year as your President. I'm grateful to the past President Matt Mellema and all board members who have worked and devoted personal resources and time to lend to the vision that makes the WMNLA the strong, successful organization it is today. We are excited for the upcoming year and continuing success of the WMNLA. To do so we would like not only to call on the existing board for their continuous support but also for the help from of our current members.

Let me skip the usual presidential message fluff (I'll save that for the next message) about summer turning into fall, trees changing colors, and changing landscapes to ask everyone reading for some help. Please help us GIVE AWAY MONEY! Well not exactly, our intention is not exactly to make it rain dollar bills and give away the hard earned money but to invest it in all of our futures and budding future horticulturists. Because of the continual success and fiscal responsibility of the WMNLA we are in a position to help those would like to continue their education in the Green Industry through several grants and

scholarships. We have the ability to fund those who wish to get their master gardener certification. Please visit WMNLA's website or refer anyone you may think would be a good candidate, for the last several years MOST of applicants were rewarded with some sort of financial help from our wonderful Non-Profit Organization.

Please take a moment to take a look at our upcoming seminar schedule, we hope that there are topics being covered that can benefit you, your employees, and your business. Even if you think a particular topic may not be directly beneficial **COME** to our meeting anyways. The strength in our organization is made through the networking and friendships made at our meetings, and as a bonus the lunches are good. We will see you there!

Dirk Jonker

WMNLA Scholarships & Horticulture Grant Fund

**WMNLA Horticulture Educational Grant
Program**

**WMNLA Master Gardener Education
Scholarship Fund**

The WMNLA uses this Fund to award annual grants to youth programs offered by area high schools to promote awareness of the horticulture industry. This competitive grant program awards grants of up to \$500 to horticulture educational projects offered by teachers in our serviced counties; Ottawa, Allegan, Muskegon, Oceana and Newaygo during the school year. Applications are reviewed on a competitive basis.

The WMNLA Grant Fund has special interest in projects & activities designed to give students a better understanding of the green industry, specifically, greenhouses, nursery and landscaping.

The advisory committee has reserved \$1500 to be awarded annually. Grant requests for up to \$500 may be submitted for projects and activities that enhance classroom learning and which require funds beyond those available through normal school resources.

**Funds are available for the 2015/16 school year.
Applications are available at www.wmnla.com**

WMNLA has established a new fund to provide scholarships for employees of WMNLA members who successfully complete the Master Gardener Training Program.

Scholarships will be awarded to applicants who attend Master Gardener classes and pass the final exam.

The available fund monies for the year will be divided between successful applicants, not to exceed \$300 per employee.

**To apply for the WMNLA Master Gardener
Scholarship contact Pam Cater at:
wmnla2013@gmail.com.**

*Currently, the WMNLA Scholarship Fund balance is \$14,760.02
and the Horticultural Education Fund balance is \$8,312.93*

*In 2014 the WMNLA Board invested \$3,000 of the proceeds
from the March Garden Day and Golf Outings into the Scholarship
Fund and the Horticulture Education Grant Fund.*
